How to enter the controlled deer draw from your online account

Skip the line, do it online! Ontario residents with hunter accreditation on file and a valid Outdoors Card may apply to the controlled deer draw. The controlled deer draw is open from July 1 until July 31.

To hunt during a controlled deer hunt season, you must obtain a controlled deer hunt validation by applying to the draw. If you are successful in the draw, you will need to print an updated licence summary that lists your controlled deer hunt validation (area, season, type of deer). You must purchase a deer licence before your controlled deer hunt validation information will appear on your licence summary.
